WELCOME TO THE Y!

The Y is a cause for strengthening community. That's why we're here working with you every day, making sure that you, your family and community have the resources and support you need to learn, grow and thrive.

Financial assistance is offered to individuals and families who cannot afford membership or programs.

With a focus on developing the potential of kids, improving individual health and well-being, and giving back and supporting our neighbors, your membership will bring about meaningful change not just within yourself, but in your community, too.

When you join the Y, you belong to a place where:

- Parents find a safe, positive environment for children to learn good values, social skills and behaviors.
- Families come together to have fun and spend quality time with each other.
- Children and teens play, learn who they are and what they can achieve, and are accepted.
- Adults connect with friends, pursue interests and learn how to live healthier.
- Communities thrive because neighbors support each other and give back.

PERSONAL TRAINING

Personal Training with our certified trainers is a great way to get in shape safely, efficiently and effectively. They provide motivation, fitness testing, personalized programming and accountability. Our trainers are certified and qualified to train clients with a wide variety of goals. Depending on the desired outcomes, trainers can focus on strength, toning, cardiovascular endurance, mobility/balance and more.

AQUATIC PERSONAL TRAINING

Aquatic Personal Training is a one-on-one experience with a trainer under lifeguard supervision. The buoyancy of the water decreases the stress on the body that can be experienced during general weight lifting. The viscosity of the water creates a different form of resistance great for strengthening muscles without the use of weights. Begin or enhance your strength training program, increase your cardio endurance, or better your balancing abilities.

2018 YEAR END APPEAL CAMPAIGN

Like you, we believe that every child deserves a chance to run, play, learn and grow as an individual. It is this belief that makes the Wilkes-Barre Family YMCA the heart of our community. Thanks to generous donors like you, we are able to provide opportunities for all children to connect with others and contribute positively to our community.

"My daughter Lilly started off this summer in the Power Scholars Academy Program. In the beginning of it, she was very shy and didn't really take too well to people. She had a little bit of issues with her reading and wasn't really too happy about school. She went through the program and as the weeks went by, you could tell she was coming out of her shell. It wasn't just me that noticed, it was all of my family members. It just turned out to be such an awesome thing. It was great. Best experience I think she could probably have ever had, especially at a young age. I'm hoping that it comes up next year too because it was such a blessing. Thank you very much!" – 'Jane', parent of Power Scholars Academy Program participant Lilly
